

Advocate of Love

The day You died on the cross
had been a painful day for You.
I think You knew what was to come
long before that all became true.

The hate of the whole world,
the sins of all mankind
hung there with You at the cross
until You really died. Jesus,

*You are the advocate of love
who speaks for every man,
when the Father high above asks:*

“What have You done?”

*The advocate of love
who knows who we really are,
and took the punishment for all our sins.*

“Father, please, forgive them,
cause they don't know what they do.”

t`was one of Your prayers,
eternal love was coming through.

They bet and tortured You,
they nailed You at the cross.

And when You died there
the devil knew that he had lost. Jesus,

You are the advocate of love ...
