

The Shelter

A lot of things has changed it's ways,
when I take a look at the last decades.
But the world still turns and God's still there,
He's the One who will always care.

Chorus:

*God is the One who can help us on the run.
He is the One who can give us shelter.
Jesus, the Son, He's the only One
who died on the cross to give us shelter.
So come to the cross.*

You may think:" What's going on?
Will the world goes 'bumm' and we're all gone?"
I don't know when and I don't know how,
but that thing will come and I don't say:"Woh!"

A picture of a man who died in the flood -
a little baby child laying in his own blood -
a woman cries out:" Why oh why?"
I really don't know - I only can cry.

Bridge:

One thing I wanna know is where can I go -
where can I go but to the Lord?
When my options turn to blank
and there is no helping hand,
where can I go but to the Lord?
