

Travelling Home

Words and Music: Gus Eyre

Let your nets down in deep water.
Keep your feet on solid stone.
Hold a light square in your vision.
You`ll be sure you`re travelling home.

Have your bible good and ready.
Take time out to be alone.
Let your gentle ways be known to all man.
You`ll be sure you`re travelling home.

Travelling home, travelling home.
Travelling home, travelling home.
Put your trust in the Lord Jesus.
You`ll be sure you`re travelling home.

And advert you to believe in,
add knowledge and selfcontrol,
take love and brotherly kindness.
You`ll be sure you`re travelling home.

When your eyes dimm
and you can`t see much.
To the river you finally come.
Hold fast to His promise.
You`ll be sure you`re travelling home.
