

# A long way to go!

We've got a long way to go  
and a short time to get there  
so put your pedal to the floor.  
We've got stories to tell  
and songs to deliver  
before we head on out the door.

Saw you running down a road  
carrying a heavy load  
wondering if you'd make it to forever  
Won't you stop and listen up  
take life from another cup,  
that of Jesus the lifegiver?
