

Love in my soul

Here I`m standing with a guitar in my hand.
I`m playing rock`n`roll as good as I can.
I like to tell you about the Lord.
He`s the One who satisfies my soul.
He gives me love every night and day.
Yes, He`s the One who makes me feel okay.

*//: He`s pouring love, love, love, love in my soul. ://
Yeah, He`s the One
who makes me sing the rock`n`roll.*

Well, I`ve got a true story to tell around the earth
about a man of infinit worth.
He carried the sins of the world at the cross.
He said: "If you believe you won`t get lost."
He will be there at the final day
when the father will ask you:
"What have you done on your way?"

Well, if you`re down on the ground,
don`t know where to go.
Don`t through your life away,
a life you`ve never known.
Jesus wants to give you his helping hand.
So don`t run away, try to understand.
He never said life is an easy game,
but He will bring you through,
that`s the promise of His name.
