

Praise the Lord

Praise the Lord.

Praise the Lord.

Praise the Lord, He`s the creator of all things.

Praise the Lord, love and peace He brings.

I want to praise Him because of Jesus,
the only man who was pure and good
God has given His son for the whole world,
so we may see and turn back –
turn back to the Lord.

I want to praise Him `cause I`m forgiven,
yes, all the bad things in my old life.
Let me tell You it was the best thing in my life
to turn back to Jesus, to the Lord,
and start to praise the Lord.

I want to praise Him because He loves me.
And I know His love will never end.
God has given His son for the whole world,
so that we may see – see and turn back –
and start to praise the Lord.
